Please read carefully before completing this form.

1. A referral to a Tribunal must be made within the time period calculations set out below.
2. **Calculation of the referral period**

Mediation

Where one or either of the parties who participated in the mediation process wishes to refer the case to a Tenancy Tribunal they must do so **on or within 10 calendar days of the completion of the mediation**. The 10 days is inclusive of Sundays and Bank Holidays. If day 10 falls on a Sunday or Bank Holiday, then the form, if posted, must be posted prior to the 10 day deadline. For example, if day 10 is on a Sunday, then the last day you can post it is on the Friday before, so it will be received by the RTB on the Monday. Where an appeal form arrives after day 10, a certificate of postage will have to be provided proving it was posted before day 10.

The onus is on parties to ensure the application, including the fee, is received by the RTB within the permitted period. Please note that the RTB will only grant a late appeal in exceptional circumstances with supporting evidence.
