

Adding RTB.ie to your safe senders list.

Select the settings cog in the top menu bar.

After clicking on the settings cog, you should navigate to the bottom of the pop-up menu and select 'View all Outlook settings'.

You can now update your safe senders list in 3 steps.

Step 1: Click on the setting option for 'Junk Email'.

Step 2: In the 'Junk Email' window select the section for 'Safe senders and domains'. Click the '+ add' button and type rtb.ie

Then click the Enter button on your keyboard.

Step 3: Click Save at the bottom of the menu.

Adding RTB.ie to your safe senders list.

The screenshot shows the Outlook 'Junk email' settings page. On the left, a navigation pane lists various settings, with 'Junk email' highlighted in blue and enclosed in a red box. A red arrow labeled 'Step 1' points to this box. Below the navigation pane, the 'Blocked senders and domains' section is visible, with a red box around the '+ Add' button and a red arrow labeled 'Step 2' pointing to it. The 'Safe senders and domains' section below it shows 'rtb.ie' listed as a safe sender, with a red box around the '+ Add' button and a red arrow labeled 'Step 3' pointing to it. At the bottom of the page, a red arrow labeled 'Step 3' points to the 'Save' button. The 'Filters' section at the bottom has a checkbox for 'Only trust email from addresses in my Safe senders and domains list and Safe mailing lists' which is currently unchecked.
